

WELCOME RACE FANS !!

ON BEHALF OF EVERYONE INVOLVED, We would like to welcome you to the greatest spectator sport in the country. Our hats go off this evening to all the participants whose time, energy & hearts have gone into these races. We would also like to thank each & every sponsor for their support, which is needed to make this event possible. Whenever possible, please patronize the advertisers in this program & on the track billboards and banners. Without their help, racing would not be possible. Again, Thanks for coming to this evenings event. HOPE TO SEE YOU AGAIN REAL SOON!!!

DESOTO SPEEDWAY RAIN CHECK POLICY

If the weather does not cooperate with the race program prior to the drop of the green flag in the last scheduled heat race, or two features if no heats are run.

RAIN CHECKS WILL BE HONORED THE NEXT TWO RACE WEEKENDS

Following the rain-out race. If it rains after the heat races (or after the second feature if there are no heats run),it will constitute a completed program and rain checks will not be honored for subsequent shows.

Please bear with us during inclement weather. Unfortunately, we have no control over Mother Nature.

If at all possible we will race, but the safety of the drivers is our first consideration and any rain delays will be governed by the track officials.

THERE WILL BE NO REFUNDS!

We appreciate your patience and understanding.

Thank You
