

## **2018 2 Car Chain Train Racing Rules**

### **Driver Safety Requirements:**

1. All drivers must wear long sleeved jackets, long pants, gloves and a Dot rated helmet.
2. All drivers must be 18 years of age or older.
3. All cars must have seat belts with shoulder harness (factory or custom).
4. All cars are subject to track approval prior to racing.
5. Randolph County Raceway reserves the right to add or change any rule for safety reasons.

### **Car Requirements:**

1. There will be 2 vehicles chained together.
2. All front pulling vehicles must be 4 or 6 cylinder no 4 wheel drive
3. Both vehicles must be similar in size and weight in other words a large vehicle can't pull a small car.
4. Front car must have brakes fully disabled and a working engine. Rear car must have engine disabled with working brakes.
5. Chain may only be used to secure vehicles. No double chains or pipes on chains allowed. Must hook to frame not bumper.
6. Bumper to bumper distance from vehicle to vehicle must be no less than 4 feet and no more than 6 feet.
7. Both cars must run dot tires. All glass, headlights, tail lights and trims must be removed **EXCEPT for front windshield** (unless vehicle has a rollcage).
8. No after market or modified bumpers of anykind.
9. No high performance modified cars.

### **Race Procedure**

1. Lineups will be set by a number draw.
2. The race will consist of 20 laps, If your car can no longer move, a fire occurs, rollover or any other emergency the race will be stopped so stalled driver can exit the vehicles. The disabled teams cars will stay on the track where they stop unless its in a entry or exit opening. Once the track officials clear the track we will line teams back up on front stretch and go green again.
3. Team is considered out when both cars are no longer chained together and no longer able to move.
