

Birch Run Speedway Rainout Policy

Front Gate Grandstand Rainout Policy:

Retain your event ticket stub after purchase. In the event of inclement weather a Front Gate Ticket is considered fulfilled after the 4th racing event is completed. Qualifying is considered an event. Best efforts will be made to get the races in. If your event is deemed a rainout, you may submit your rain stub ticket for any event during the remainder of the season. If it is a regular night event and you wish to redeem it on a special event night, you must pay the purchase price difference for said event.

Pit Band Rainout Policy Defined: Competitor and Spectator Band Credit Eligibility.
