

## TRANSPONDER PLACEMENT FOR ALL CLASSES

UPDATED 5/11/2023

### **IMCA MODIFIEDS** (per IMCA 2023 Rule), **LATE MODELS, SPORT/LIMITED MODIFIEDS**

Scoring transponder must be mounted at the motor mid-plate, as low as possible, right-hand side of the car. SILVER LABEL FACING DOWN, unobstructed view of the track surface.

### **FACTORY STOCKS, SPORT COMPACTS & FIREBALLS**

Scoring transponder must be mounted at the firewall, as low as possible, right-hand side of the car. SILVER LABEL FACING DOWN, unobstructed view of the track surface.

### **VISITING SERIES**

Scoring transponder mounted at the discretion of the series Race Director.

***NOTE:** Brackets may be used to mount the transponder for proper orientation as defined above. Transponder must have unobstructed view of track. Transponder pouches recommended.*
