

2024 Updates

The 2024 rules are posted to the website and the season is closing in on us all. The Limited Late Model Series will be using the 2023 rules that are posted to the website.

Payouts will be posted by the end of this week.

Pit Passes will remain at \$32 this year, but for those with a NASCAR membership your price drops to \$22.

Tires will remain at the \$180 price for the Hoosier F70

Fuel will remain at the \$11 per gallon. We intend to have gas cans at the Tech barn where you will be able to pick up a 5 gallon can for \$60, which includes a \$5 deposit for the can, and you can get your \$5 deposit back upon returning the can. We hope that this will help make things flow more efficiently for all.

We look forward to Opening Day of racing on May 10th with the Wheeler Trucking Modifieds, the Finish Line Seamless Gutters Pure Stocks, the Showcase Auto Sales Chesaning Street Stocks, the All American Trucks, FWD, and Figure 8 Classes putting on a great night of racing. To cap off the night, don't forget about the Top Speed Spectator Drags.

In other news, Rex Wheeler and his team have teamed up with Birch Run to provide a smooth season of racing. You'll be able to catch racing action on Friday nights in Birch Run and Saturday nights in Owosso. Our rules are the same, so that drivers can easily transition between the two tracks and our entry prices for the 2024 season are \$14 for General Admission. Here at Birch Run, 15 and under are free, while Seniors, First Responders, Veterans, and Active Duty Military are \$12.

See you soon.

2024 Racing Partner of the Year
