## Ticketing

You may purchase General Admission Tickets in advance at [myracepass.com](https://myracepass.com)

Tickets are also available at the General Admission ticket window.

## Military Discounts

Corrigan Oil Speedway gladly offers a \$5.00 military discount (per ticket) for General Admission. The discount is available for Veterans, active-duty military members, their spouse and children. A current Veteran's ID or a current active-duty ID must be presented at the General Admission ticket window. This discount option is not available for online-sales or events hosted by third-parties.

## Refund Policy

Corrigan Oil Speedway does not refund ticket purchases unless Corrigan Oil Speedway cancels an event and does not reschedule.

If the facility is leased by a third-party to hold an event Corrigan Oil Speedway is required to comply with the third-party's refund policy.

Please check the third-party's policy regarding refunds.

All third-party events will be designated by different color font on the event schedule.

## Rainout Policy

We try to pre-schedule rain dates for large events. If you have purchased tickets "online" for an event "with" a rain-date please be aware your ticket will be honored on the "pre-scheduled" rain-date and is **non-refundable**, unless the rain-date is also cancelled.

If an event without a "pre-scheduled" rain-date is rained-out once the event starts, the ticket will be valued on a pro-rata basis which will be announced at the time of cancellation.

Cancelations are also posted on Facebook.
