### Event Specific Race Procedures

- All starts and restarts will take place in turn four at the *VP Makin' Powersign*
- The leader is the control car on all starts and/or restarts
- The leader has the choice to run inside or outside on the original start and/or all restarts
- One EZ Pass will be awarded in the feature only to the lead car one lap down.
- All races will end with a green-white-checker finish
- Caution laps will not count in any race during any DIRTcar Sportsman Series qualifying events
- Feature event will be **30 laps**. Caution laps will not count.
- All restarts up to lap **30** will be double-file with lead lap cars to the front - lapped cars will drop to the inside under caution and rejoin the field beginning after the last car on the lead lap in their order of running on the race track at the time of the caution. Most restarts will be Double File. If yellow comes out before a lap is completed, the ensuing restart shall be a single file restart. Subsequent restarts revert back to double file restarts. DIRTcar and/or World Racing Group Officials reserve the right to change and/or alter this rule, provided the competitors are given notice (in advance and/or via the driver's one-way radio) due to circumstances that require such a change and/or alteration.
- If at any time you intentionally stop on the racetrack to cause a caution and pull to the pits and change a tire that was not flat, you will be penalized one lap and will not be eligible for the EZ Pass for the rest of the event.
- World Racing Group or DIRTcar Officials reserve the right to alter the rules of this and/or any event, provided the competitors are given notice (in advance and/or over the one-way radio) due to any circumstance that require such a change or alteration
- One-way radios are mandatory. Two-way radios will not be permitted.
