

Circle City Raceway Grub Getter Derby Soccer

There will be two teams CCR will pick the teams by pill draw or chip pull. There will be a **RED team** in a **BLUE team**. CCR will have paint for both teams.

18+ YEARS OLD NO RIDERS

DOOR SHOTS WILL BE AUTOMATIC DQ OF DRIVER AND ONE POINT TAKEN FROM THE TEAMS SCORE.

Driver will be removed from the track and not allowed to re enter under any circumstances.

1. If you are a red team, you will paint the top of your roof AND BROW VISOR red if you're a blue team, you'll paint the top of your roof AND BROW VISOR blue again CCR will supply red and blue SPRAY paint and chose the teams.
2. The game will begin with a mixture of combinations of cars, between the two teams, we will try to start out with a good number of cars per team per game. The winning team from each game will advance to the next round with THE SCORE OF POINTS RECEIVED.
3. If the blue team wins both EVENTS then they are the winners if the red team wins ONE SECTION in the blue team wins ONE SECTION there will be a face off in a final and 3rd round of the third game AND THE TEAM WHO SCORES FIRST IN THE 3RD ROUND WINS THE CHALLENGE ,
4. If the BLUE/RED team wins, the participants of entire team wins and the next round participants of the team will do round
5. Two teams will be chosen by random draw and random numbers so if you are one through 15 or one through 20 of your team will go first round the other half of your team will go round 2 to the same goes for the red team. However, many cars will be divided into two groups. If you have 60 cars there will be 30 blue 30 red meaning Cars for each group in the first round 15 cars from each group in the second round if uneven number of cars are onsite a chip will be drawn for color and the color of the team the car goes to.
6. IF THE RED Team puts it in the blue goal. It's a blue goals point BUT IF the BLUE TEAM puts it in the red teams goal it's a red teams point so be cautious where you send your ball, so the ball is approximately 7 1/2 feet tall you bounce the ball and get it in your goal not your opponent's goal. The Team that scores the most goals wins that round if it's moments or minutes we're going to put a 10 minute time limit on it so if you score in the first minute, we will keep going for more points to carry into the next round, if it takes 10 minutes to get your first score that will end the game at that mark with ONE POINT FOR THE RED or BLUE TEAM who ever made the Goal the **CLOCK will continue longer if no points are made until at least one point is made**
10 minutes for rounds 1 and 2 (OR UNTIL ONE GOAL IS MADE) , Round 3 the team that scores first WINS! *Pay is \$3000 divided between the winning RED or BLUE team evenly to anyone who played for 5 minutes or more.*
